

To designate certain lands in the California Desert as wilderness, to establish Death Valley, Joshua Tree, and Mojave National Parks, and for other purposes.

JANUARY 21 (legislative day, JANUARY 5), 1993

A BILL

To designate certain lands in the California Desert as wilderness, to establish Death Valley, Joshua Tree, and Mojave National Parks, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*
3 That this Act may be cited as the “California Desert Pro-
4 tection Act of 1993”.

FINDINGS AND POLICY

6 SEC. 2. (a) The Congress finds and declares that—

1 (1) the federally owned desert lands of southern
2 California constitute a public wildland resource of
3 extraordinary and inestimable value for this and fu-
4 ture generations;

5 (2) these desert wildlands display unique scenic,
6 historical, archeological, environmental, ecological,
7 wildlife, cultural, scientific, educational, and rec-
8 reational values used and enjoyed by millions of
9 Americans for hiking and camping, scientific study
10 and scenic appreciation;

11 (3) the public land resources of the California
12 desert now face and are increasingly threatened by
13 adverse pressures which would impair, dilute, and
14 destroy their public and natural values;

15 (4) the California desert, embracing wilderness
16 lands, units of the National Park System, other
17 Federal lands, State parks and other State lands,
18 and private lands, constitutes a cohesive unit posing
19 unique and difficult resource protection and manage-
20 ment challenges;

21 (5) through designation of national monuments
22 by Presidential proclamation, through enactment of
23 general public land statutes (including section 601
24 of the Federal Land Policy and Management Act of
25 1976, 90 Stat. 2743, 43 U.S.C. 1701 et seq.) and

1 through interim administrative actions, the Federal
2 government has begun the process of appropriately
3 providing for protection of the significant resources
4 of the public lands in the California desert; and

5 (6) statutory land unit designations are needed
6 to afford the full protection which the resources and
7 public land values of the California desert merit.

8 (b) In order to secure for the American people of this
9 and future generations an enduring heritage of wilderness,
10 national parks, and public land values in the California
11 desert, it is hereby declared to be the policy of the Con-
12 gress that—

13 (1) appropriate public lands in the California
14 desert shall be included within the National Park
15 System and the National Wilderness Preservation
16 System, in order to—

17 (A) preserve unrivaled scenic, geologic, and
18 wildlife values associated with these unique nat-
19 ural landscapes;

20 (B) perpetuate in their natural state sig-
21 nificant and diverse ecosystems of the Califor-
22 nia desert;

23 (C) protect and preserve historical and cul-
24 tural values of the California desert associated
25 with ancient Indian cultures, patterns of west-

ern exploration and settlement, and sites exemplifying the mining, ranching and railroading history of the Old West;

(D) provide opportunities for compatible outdoor public recreation, protect and interpret ecological and geological features and historic, paleontological, and archeological sites, maintain wilderness resource values, and promote public understanding and appreciation of the California desert; and

(E) retain and enhance opportunities for scientific research in undisturbed ecosystems.

TITLE I—WILDERNESS ADDITIONS

FINDINGS

SEC. 101. The Congress finds and declares that—

(1) wilderness is a distinguishing characteristic of the public lands in the California desert, one which affords an unrivaled opportunity for experiencing vast areas of the Old West essentially unaltered by man's activities, and which merits preservation for the benefit of present and future generations;

(2) the wilderness values of desert lands are increasingly threatened by and especially vulnerable to impairment, alteration, and destruction by activities

1 and intrusions associated with incompatible use and
2 development; and

3 (3) preservation of desert wilderness necessarily
4 requires the highest forms of protective designation
5 and management.

3 STUDY AS TO VALIDITY OF MINING CLAIMS

4 SEC. 408. The Secretary shall not approve any plan
5 of operation prior to determining the validity of the
6 unpatented mining claims, mill sites, and tunnel sites af-

14 SEC. 409. Subject to valid existing rights, all mining
15 claims located within the park shall be subject to such rea-
16 sonable regulations as the Secretary may prescribe to as-
17 sure that mining will, to the maximum extent practicable,
18 be consistent with the protection of the scenic, scientific,
19 cultural and other resources of the park, and any patent
20 which may be issued after the date of enactment of this

23 transmission lines,

24 (B) in the Mojave-Lugo Transmission Line
25 right-of-way (hereafter in this section referred

1 to as the “Mojave right-of-way”) and adjacent
2 right-of-way, removal of the existing electrical

9 jave right-of-way and adjacent right-of-way,

10 (C) if there are no more than two electrical
11 transmission lines in the Eldorado rights-of-
12 way, two electrical transmission lines in the
13 lands encompassed by the Mojave right-of-way
14 and adjacent right-of-way may be allowed,

15 (D) in the Eldorado rights-of-way and Mo-

20 (E) no more than 350 feet of additional
21 land shall be issued, granted, or permitted for
22 an adjacent right-of-way to the south of the
23 Mojave right-of-way unless a greater addition
24 would reduce the impacts to park resources,
25 and

1 (F) such upgrade activities, including heli-
2 copter aided construction, shall be conducted in
3 a manner which will minimize the impact on
4 park resources.

5 (3) The Secretary shall prepare within 180 days

23 (c) Nothing in this title shall have the effect of termi-
24 nating any validly issued right-of-way or customary oper-
25 ation, maintenance, repair, and replacement activities of

1 existing facilities issued, granted, or permitted for commu-

23 commodations, and other park-related development shall
24 be located or provided for outside of the boundaries of the
25 park. Such plan shall evaluate the feasibility of using the
26 Kelso Depot and existing railroad corridor to provide pub-

5 this subsection shall include the following:

6 (A) A complete list and appraisal of the lands
7 or interests in land proposed for exchange.

8 (B) A complete list of the lands, if any, to be
9 acquired by the United States which contain any
10 hazardous waste, toxic waste, or radioactive waste
11 which requires removal or remedial action under
12 Federal or State law, together with the estimated
13 costs of any such action.

14 (4) An agreement under this subsection shall not take
15 effect unless approved by a joint resolution enacted by the
16 Congress.

17 (d) The Secretary shall provide the California State
18 Lands Commission with a 180-day right of first refusal
19 to exchange for any Federal lands or interests therein, lo-
20 cated in the State of California, on the list referred to
21 in subsection (b)(2). Any lands with respect to which a
22 right of first refusal is not noticed within such period or
23 exercised under this subsection shall be available to
24 Catellus for exchange in accordance with this section.

1 (e) On January 3, 1996, the Secretary shall provide
2 to the Committees a list and appraisal consistent with the
3 Federal Land Policy and Management Act of 1976 of all
4 Catellus lands eligible for exchange under this section for
5 which an exchange has not been completed. With respect
6 to any of such lands for which an exchange has not been
7 completed by October 1, 1996 (hereafter in this section
8 referred to as “remaining lands”), the Secretary shall es-
9 tablish an account in the name of Catellus (hereafter in
10 this section referred to as the “exchange account”). Upon
11 the transfer of title by Catellus to all or a portion of the
12 remaining lands to the United States, the Secretary shall
13 credit the exchange account in the amount of the ap-
14 praised value of the transferred remaining lands at the
15 time of such transfer.

16 (f) Catellus may use the credit in the exchange ac-
17 count to bid, as any other bidder, for any property real,
18 personal, or mixed, wherever located, owned or controlled
19 by the United States, including in a corporate capacity
20 or as a receiver, conservator, or similar fiduciary capacity
21 to be sold in accordance with the applicable laws and regu-
22 lations of the Federal agency or instrumentality, or any
23 element thereof, offering such property for sale. Upon ap-
24 proval by the Secretary in writing, the credits in Catellus’s
25 exchange account may be transferred or sold in whole or

1 in part by Catellus to any other party, thereby vesting
2 such party with all the rights formerly held by Catellus.
3 The exchange account shall be adjusted to reflect success-
4 ful bids under this section or payments or forfeited depos-
5 its, penalties, or other costs assessed to the bidder in the
6 course of such sales.

7 (g)(1) The Secretary shall not accept title pursuant
8 to this section to any lands unless such title includes all
9 right, title, and interest in and to the fee estate.

10 (2) Notwithstanding paragraph (1), the Secretary
11 may accept title to any subsurface estate where the United
12 States holds title to the surface estate.

13 (3) This subsection does not apply to easements and
14 rights-of-way for utilities or roads.

15 (h) In no event shall the Secretary accept title under
16 this section to lands which contain any hazardous waste,
17 toxic waste, or radioactive waste which requires removal
18 or remedial action under Federal or State law unless such
19 remedial action has been completed prior to the transfer.

20 (i) For purposes of the section, any appraisal shall
21 be consistent with the provisions of section 206 of the Fed-
22 eral Land Policy and Management Act of 1976.

23 (j) As used in this section, the term “Committees”
24 means the Committee on Natural Resources of the House

1 of Representatives and the Committee on Energy and
2 Natural Resources of the Senate.

3 TITLE VII—DEFINITIONS

4 SEC. 701. For the purposes of this Act:

5 (1) The term “Secretary”, unless specifically
6 designated otherwise, means the Secretary of the In-

12 TITLE VIII—MILITARY LANDS AND
13 OVERFLIGHTS

14 SHORT TITLE AND FINDINGS

15 SEC. 801. (a) SHORT TITLE.—This title may be cited
16 as the “California Military Lands Withdrawal and
17 Overflights Act of 1991”.

18 (b) Findings.—The Congress finds that—

19 (1) Military aircraft testing and training activi-
20 ties as well as demilitarization activities in California
21 are an important part of the national defense system
22 of the United States, and are essential in order to
23 secure for the American people of this and future
24 generations an enduring and viable national defense
25 system;

1 (2) the national parks and wilderness areas des-
2 ignated by this Act lie within a region critical to pro-
3 viding training, research, and development for the
4 Armed Forces of the United States and its allies;

5 (3) there is a lack of alternative sites available
6 for these military training, testing, and research ac-
7 tivities;

8 (4) continued use of the lands and airspace in
9 the California desert region is essential for military
10 purposes; and

11 (5) continuation of these military activities,
12 under appropriate terms and conditions, is not in-
13 compatible with the protection and proper manage-
14 ment of the natural, environmental, cultural, and
15 other resources and values of the Federal lands in
16 the California desert area.

17 MILITARY OVERFLIGHTS

18 SEC. 802. (a) Nothing in this Act shall restrict or
19 preclude low-level overflights of military aircraft over the
20 new units of the National Park or Wilderness Preservation
21 System (or any additions to existing units) designated by
22 this Act, including military overflights that can be seen
23 or heard within the areas designated by this Act.

24 (b) Nothing in this Act shall restrict or preclude the
25 designation of new units of special airspace or the use of
26 establishment of military flight training routes over the

1 new units of the National Park or Wilderness Preservation
2 Systems (or any additions to existing units) designated by
3 this Act.

4 (c) Nothing in this section shall be construed to mod-
5 ify, expand, or diminish any authority under other Federal
6 law.

9 on a map entitled “China Lake Naval Weapons Center
10 Withdrawal—Proposed”, dated January 1985, and filed
11 in accordance with section 803.

12 (b) CHOCOLATE MOUNTAIN.—(1) Subject to valid ex-
13 isting rights and except as otherwise provided in this title,
14 the Federal lands referred to in paragraph (2), and all
15 other areas within the boundary of such lands as depicted
16 on the map specified in such paragraph which may become
17 subject to the operation of the public land laws, are hereby
18 withdrawn from all forms of appropriation under the pub-
19 lic land laws (including the mining laws and the mineral
20 leasing and the geothermal leasing laws). Such lands are
21 reserved for use by the Secretary of the Navy for—

22 (A) testing and training for aerial bombing,
23 missile firing, tactical maneuvering and air support;

18 (2) file maps and the legal description of the
19 lands withdrawn and reserved by this title with the
20 Committee on Energy and Natural Resources of the
21 United States Senate and with the Committee on
22 Natural Resources of the United States House of
23 Representatives.

24 (b) TECHNICAL CORRECTIONS.—Such maps and
25 legal descriptions shall have the same force and effect as

17 MANAGEMENT OF WITHDRAWN LANDS

18 SEC. 805. (a) MANAGEMENT BY THE SECRETARY OF
19 THE INTERIOR.—(1) Except as provided in subsection (g),
20 during the period of the withdrawal the Secretary of the
21 Interior shall manage the lands withdrawn under section
22 802 pursuant to the Federal Land Policy and Manage-
23 ment Act of 1976 (43 U.S.C. 1701 et seq.) and other ap-
24 plicable law, including this title.

1 (2) To the extent consistent with applicable law and
2 Executive orders, the lands withdrawn under section 802
3 may be managed in a manner permitting—

4 (A) the continuation of grazing pursuant to ap-
5 plicable law and Executive orders were permitted on
6 the date of enactment of this title;

7 (B) protection of wildlife and wildlife habitat;

8 (C) control of predatory and other animals;

9 (D) recreation (but only on lands withdrawn by
10 section 802(a) (relating to China Lake));

11 (E) the prevention and appropriate suppression
12 of brush and range fires resulting from nonmilitary
13 activities; and

14 (F) geothermal leasing on the lands withdrawn
15 under section 802(a) (relating to China Lake).

16 (3)(A) All nonmilitary use of such lands, including
17 the uses described in paragraph (2), shall be subject to
18 such conditions and restrictions as may be necessary to
19 permit the military use of such lands for the purposes
20 specified in or authorized pursuant to this title.

21 (B) The Secretary of the Interior may issue any
22 lease, easement, right-of-way, or other authorization with
23 respect to the nonmilitary use of such lands only with the
24 concurrence of the Secretary of the Navy.

1 (b) CLOSURE TO PUBLIC.—(1) If the Secretary of the
2 Navy determines that military operations, public safety,
3 or national security require the closure to public use of
4 any road, trail, or other portion of the lands withdrawn
5 by this title, the Secretary may take such action as the
6 Secretary determines necessary or desirable to effect and
7 maintain such closure.

8 (2) Any such closure shall be limited to the minimum
9 areas and periods which the Secretary of the Navy deter-
10 mines are required to carry out this subsection.

11 (3) Before and during any closure under this sub-
12 section, the Secretary of the Navy shall—

13 (A) keep appropriate warning notices posted;
14 and

15 (B) take appropriate steps to notify the public
16 concerning such closures.

17 (c) MANAGEMENT PLAN.—The Secretary of the Inte-
18 rior (after consultation with the Secretary of the Navy)
19 shall develop a plan for the management of each area with-
20 drawn under section 802 during the period of such with-
21 drawal. Each plan shall—

22 (1) be consistent with applicable law;

23 (2) be subject to conditions and restrictions
24 specified in subsection (a)(3);

1 (3) include such provisions as may be necessary
2 for proper management and protection of the re-
3 sources and values of such area; and

4 (4) be developed not later than three years after
5 the date of enactment of this title.

6 (d) BRUSH AND RANGE FIRES.—The Secretary of
7 the Navy shall take necessary precautions to prevent and
8 suppress brush and range fires occurring within and out-
9 side the lands withdrawn under section 802 as a result
10 of military activities and may seek assistance from the Bu-
11 reau of Land Management in the suppression of such
12 fires. The memorandum of understanding required by sub-
13 section (e) shall provide for Bureau of Land Management
14 assistance in the suppression of such fires, and for a
15 transfer of funds from the Department of the Navy to the
16 Bureau of Land Management as compensation for such
17 assistance.

18 (e) MEMORANDUM OF UNDERSTANDING.—(1) The
19 Secretary of the Interior and the Secretary of the Navy
20 shall (with respect to each land withdrawal under section
21 802) enter into a memorandum of understanding to imple-
22 ment the management plan developed under subsection
23 (c). Any such memorandum of understanding shall provide
24 that the Director of the Bureau of Land Management
25 shall provide assistance in the suppression of fires result-

1 ing from the military use of lands withdrawn under section
2 802 if requested by the Secretary of the Navy.

3 (2) The duration of any such memorandum shall be
4 the same as the period of the withdrawal of the lands
5 under section 802.

6 (f) ADDITIONAL MILITARY USES.—(1) Lands with-
7 drawn by section 802 may be used for defense-related uses
8 other than those specified in such section. The Secretary
9 of Defense shall promptly notify the Secretary of the Inte-
10 rior in the event that the lands withdrawn by this title
11 will be used for defense-related purposes other than those
12 specified in section 802. Such notification shall indicate
13 the additional use or uses involved, the proposed duration
14 of such uses, and the extent to which such additional mili-
15 tary uses of the withdrawn lands will require that addi-
16 tional or more stringent conditions or restrictions be im-
17 posed on otherwise-permitted nonmilitary uses of the with-
18 drawn land or portions thereof.

19 (g) MANAGEMENT OF CHINA LAKE.—(1) The Sec-
20 retary of the Interior may assign the management respon-
21 sibility for the lands withdrawn under section 802(a) to
22 the Secretary of the Navy who shall manage such lands,
23 and issue leases, easements, rights-of-way, and other au-
24 thorizations, in accordance with this title and cooperative
25 management arrangements between the Secretary of the

1 Interior and the Secretary of the Navy. In the case that
2 the Secretary of the Interior assigns such management re-
3 sponsibility to the Secretary of the Navy before the devel-
4 opment of the management plan under subsection (c), the
5 Secretary of the Navy (after consultation with the Sec-
6 retary of the Interior) shall develop such management
7 plan.

8 (2) The Secretary of the Interior shall be responsible
9 for the issuance of any lease, easement, right-of-way, and
10 other authorization with respect to any activity which in-
11 volves both the lands withdrawn under section 802(a) and
12 any other lands. Any such authorization shall be issued
13 only with the consent of the Secretary of the Navy and,
14 to the extent that such activity involves lands withdrawn
15 under section 802(a), shall be subject to such conditions
16 as the Secretary of the Navy may prescribe.

17 (3) The Secretary of the Navy shall prepare and sub-
18 mit to the Secretary of the Interior an annual report on
19 the status of the natural and cultural resources and values
20 of the lands withdrawn under section 802(a). The Sec-
21 retary of the Interior shall transmit such report to the
22 Committee on Natural Resources of the House of Rep-
23 resentatives and the Committee on Energy and Natural
24 Resources of the Senate.

1 (4) The Secretary of the Navy shall be responsible
2 for the management of wild horses and burros located on
3 the lands withdrawn under section 802(a) and may utilize
4 helicopters and motorized vehicles for such purposes. Such
5 management shall be in accordance with laws applicable
6 to such management on public lands and with an appro-
7 priate memorandum of understanding between the Sec-
8 retary of the Interior and the Secretary of the Navy.

9 (5) Neither this title nor any other provision of law
10 shall be construed to prohibit the Secretary of the Interior
11 from issuing and administering any lease for the develop-
12 ment and utilization of geothermal steam and associated
13 geothermal resources on the lands withdrawn under sec-
14 tion 802(a) pursuant to the Geothermal Steam Act of
15 1970 (30 U.S.C. 1001 et seq.) and other applicable law,
16 but no such lease shall be issued without the concurrence
17 of the Secretary of the Navy.

18 (6) This title shall not affect the geothermal explo-
19 ration and development authority of the Secretary of the
20 Navy under section 2689 of title 10, United States Code,
21 except that the Secretary of the Navy shall obtain the con-
22 currence of the Secretary of the Interior before taking ac-
23 tion under that section with respect to the lands with-
24 drawn under section 802(a).

1 DURATION OF WITHDRAWALS

2 SEC. 806. (a) DURATION.—The withdrawal and res-
3 ervation established by this title shall terminate twenty-
4 five years after the date of enactment of this title.

5 (b) DRAFT ENVIRONMENTAL IMPACT STATEMENT.—
6 No later than twenty-two years after the date of enact-
7 ment of this title, the Secretary of the Navy shall publish
8 a draft environmental impact statement concerning con-
9 tinued or renewed withdrawal of any portion of the lands
10 withdrawn by this title for which that Secretary intends
11 to seek such continued or renewed withdrawal. Such draft
12 environmental impact statement shall be consistent with
13 the requirements of the National Environmental Policy
14 Act of 1969 (42 U.S.C. 4321 et seq.) applicable to such
15 a draft environmental impact statement. Prior to the ter-
16 mination date specified in subsection (a), the Secretary of
17 the Navy shall hold a public hearing on any draft environ-
18 mental impact statement published pursuant to this sub-
19 section. Such hearing shall be held in the State of Califor-
20 nia in order to receive public comments on the alternatives
21 and other matters included in such draft environmental
22 impact statement.

23 (c) EXTENSIONS OR RENEWALS.—The withdrawals
24 established by this title may not be extended or renewed
25 except by an Act or joint resolution.

SEC. 807. (a) PROGRAM.—Throughout the duration

(b) **REPORTS.**—At the same time as the President submits to the Congress the President’s proposed budget for the first fiscal year beginning after the date of enactment of this title and for each subsequent fiscal year, the Secretary of the Navy shall transmit to the Committees on Appropriations, Armed Services, and Energy and Natural Resources of the Senate and to the Committees on Appropriations, Armed Services, and Natural Resources of the House of Representatives a description of the decontamination efforts undertaken during the previous fiscal year on such lands and the decontamination activities proposed for such lands during the next fiscal year includ-

- (1) amounts appropriated and obligated or expended for decontamination of such lands;
- (2) the methods used to decontaminate such lands;

1 (3) amount and types of contaminants removed
2 from such lands;

3 (4) estimated types and amounts of residual
4 contamination on such lands; and

5 (5) an estimate of the costs for full decon-
6 tamination of such lands and the estimate of the
7 time to complete such decontamination.

8 REQUIREMENTS FOR RENEWAL

9 SEC. 808. (a) NOTICE AND FILING.—(1) No later
10 than three years prior to the termination of the with-
11 drawal and reservation established by this title, the Sec-
12 retary of the Navy shall advise the Secretary of the Inte-
13 rior as to whether or not the Secretary of the Navy will
14 have a continuing military need for any of the lands with-
15 drawn under section 802 after the termination date of
16 such withdrawal and reservation.

17 (2) If the Secretary of the Navy concludes that there
18 will be a continuing military need for any of such lands
19 after the termination date, the Secretary shall file an ap-
20 plication for extension of the withdrawal and reservation
21 of such needed lands in accordance with the regulations
22 and procedures of the Department of the Interior applica-
23 ble to the extension of withdrawals of lands for military
24 uses.

25 (3) If, during the period of withdrawal and reserva-
26 tion, the Secretary of the Navy decides to relinquish all

1 or any of the lands withdrawn and reserved by this title,
2 the Secretary shall file a notice of intention to relinquish
3 with the Secretary of the Interior.

4 (b) CONTAMINATION.—(1) Before transmitting a no-
5 tice of intention to relinquish pursuant to subsection (a),
6 the Secretary of Defense, acting through the Department
7 of the Navy, shall prepare a written determination con-
8 cerning whether and to what extent the lands that are to
9 be relinquished are contaminated with explosive, toxic, or
10 other hazardous materials.

11 (2) A copy of such determination shall be transmitted
12 with the notice of intention to relinquish.

13 (3) Copies of both the notice of intention to relinquish
14 and the determination concerning the contaminated state
15 of the lands shall be published in the Federal Register by
16 the Secretary of the Interior.

17 (c) DECONTAMINATION.—If any land which is the
18 subject of a notice of intention to relinquish pursuant to
19 subsection (a) is contaminated, and the Secretary of the
20 Interior, in consultation with the Secretary of the Navy,
21 determines that decontamination is practicable and eco-
22 nomically feasible (taking into consideration the potential
23 future use and value of the land) and that upon decon-
24 tamination, the land could be opened to operation of some
25 or all of the public land laws, including the mining laws,

1 the Secretary of the Navy shall decontaminate the land
2 to the extent that funds are appropriated for such pur-
3 pose.

4 (d) ALTERNATIVES.—If the Secretary of the Interior,
5 after consultation with the Secretary of the Navy, con-
6 cludes that decontamination of any land which is the sub-
7 ject of a notice of intention to relinquish pursuant to sub-
8 section (a) is not practicable or economically feasible, or
9 that the land cannot be decontaminated sufficiently to be
10 opened to operation of some or all of the public land laws,
11 or if Congress does not appropriate a sufficient amount
12 of funds for the decontamination of such land, the Sec-
13 retary of the Interior shall not be required to accept the
14 land proposed for relinquishment.

15 (e) STATUS OF CONTAMINATED LANDS.—If, because
16 of their contaminated state, the Secretary of the Interior
17 declines to accept jurisdiction over lands withdrawn by
18 this title which have been proposed for relinquishment, or
19 if at the expiration of the withdrawal made by this title
20 the Secretary of the Interior determines that some of the
21 lands withdrawn by this title are contaminated to an ex-
22 tent which prevents opening such contaminated lands to
23 operation of the public land laws—

24 (1) the Secretary of the Navy shall take appro-
25 priate steps to warn the public of the contaminated

1 state of such lands and any risks associated with
2 entry onto such lands;

3 (2) after the expiration of the withdrawal, the
4 Secretary of the Navy shall undertake no activities
5 on such lands except in connection with decon-
6 tamination of such lands; and

7 (3) the Secretary of the Navy shall report to
8 the Secretary of the Interior and to the Congress
9 concerning the status of such lands and all actions
10 taken in furtherance of this subsection.

11 (f) REVOCATION AUTHORITY.—Notwithstanding any
12 other provision of law, the Secretary of the Interior, upon
13 deciding that it is in the public interest to accept jurisdic-
14 tion over lands proposed for relinquishment pursuant to
15 subsection (a), is authorized to revoke the withdrawal and
16 reservation established by this title as it applies to such
17 lands. Should the decision be made to revoke the with-
18 drawal and reservation, the Secretary of the Interior shall
19 published in the Federal Register an appropriate order
20 which shall—

21 (1) terminate the withdrawal and reservation;

22 (2) constitute official acceptance of full jurisdic-
23 tion over the lands by the Secretary of the Interior;
24 and

1 (3) state the date upon which the lands will be
2 opened to the operation of some or all of the public
3 lands law, including the mining laws.

4 DELEGABILITY

5 SEC. 809. (a) DEFENSE.—The functions of the Sec-
6 retary of Defense or the Secretary of the Navy under this
7 title may be delegated.

8 (b) INTERIOR.—The functions of the Secretary of the
9 Interior under this title may be delegated, except that an
10 order described in section 807(f) may be approved and
11 signed only by the Secretary of the Interior, the Under
12 Secretary of the Interior, or an Assistant Secretary of the
13 Department of the Interior.

14 HUNTING, FISHING, AND TRAPPING

15 SEC. 810. All hunting, fishing, and trapping on the
16 lands withdrawn by this title shall be conducted in accord-
17 ance with the provisions of section 2671 of title 10, United
18 States Code.

19 IMMUNITY OF UNITED STATES

20 SEC. 811. The United States and all departments or
21 agencies thereof shall be held harmless and shall not be
22 liable for any injury or damage to persons or property suf-
23 fered in the course of any geothermal leasing or other au-
24 thorized nonmilitary activity conducted on lands described
25 in section 802 of this title.

EL CENTRO RANGES

1
2 SEC. 812. The Secretary of the Interior is authorized
3 to permit the Secretary of the Navy to use until January
4 1, 1996, the approximately forty-four thousand eight hun-
5 dred and seventy acres of public lands in Imperial County,
6 California, known as the East Mesa and West Mesa
7 ranges, in accordance with the Memorandum of Under-
8 standing dated June 29, 1987, between the Bureau of
9 Land Management, the Bureau of Reclamation, and the
10 Department of the Navy. Such use shall be consistent with
11 such Memorandum of Understanding and such additional
12 terms and conditions as the Secretary of the Interior may
13 require in order to protect the natural, scientific, environ-
14 mental, cultural, and other resources and values of such
15 lands and to minimize the extent to which use of such
16 lands for military purposes impedes or restricts use of
17 such or other public lands for other purposes. All military
18 uses of such lands shall cease on January 1, 1996, unless
19 authorized by subsequent Act of Congress.
